

St. Sebastian Athletic Booster Club

476 Mull Avenue
Akron, Ohio 44320

Membership Drive

Over the past 10 years the St. Sebastian's Booster Club has supported the CYO athletic programs offered at St. Sebastian. In addition to CYO, the Booster Club has been able to support the DD Soccer Program and Saturday Morning Basketball clinics. In order to make this support happen, we have held various fundraisers and outings including Night at the Races held each January, the Booster Club Golf Outing held each August and the Annual 3-on-3 Basketball Tournament held each March. These fundraisers are a few of the many avenues supporting our athletic programs and we encourage your continued participation and appreciate the countless volunteer hours many of you provide.

Your ongoing support is crucial as we maximize those resources to purchase uniforms, pay CYO team fees, address various facility fees and maintain/upgrade our own facilities. This continued support has allowed us to keep participation costs capped for the last 9 years despite various rate increases implemented by CYO. This past year we faced a 35% increase from CYO, an increase we did not pass on to our athletes. That being said, in the face of that increase, we need to ensure that the athletic programs here at St. Sebastian remain self-sufficient. To do this, we are asking for your help by supporting our efforts through the purchase of an Athletic Booster Club membership.

This year, we offer five levels of membership:

1. Student/Alumni Membership	\$5
2. Terrier Membership	\$15
3. Green Club Membership	\$35
4. Gold Club Membership	\$100
5. Platinum Membership	\$500

Please complete and return the form as indicated below. **Make checks payable to the St. Sebastian Athletic Booster Club.**

Thank you for your support,

Jim Williams
President, St. Sebastian Athletic Booster Club
