DRESS CODE AND UNIFORM POLICY: We believe there is a direct relationship between being well-groomed and properly dressed and having productive work habits for school. Clothing can have a bearing on students' conduct, as well as on their internal attitude. The uniform for St. Sebastian Parish School provides for a neat and orderly appearance for the school setting. The uniform also avoids competition in dress and controls clothing costs for families. Please help us by reading the dress code carefully and abiding by its guidelines. It has been described in as much detail as possible to avoid any ambiguity. The school administration has the final say on all uniform matters.
