

The Volunteer Opportunities are Endless!

Important: Families that commit large numbers of hours to an activity (i.e. CYO coach, Scout Troop leader, Committee Chair, etc.) may send ONE email with the approximate number of total hours.

Please Note:
VIRTUS training must be completed if you are in contact with the students more than 4 hours a month.

Friendship and Community through Volunteerism

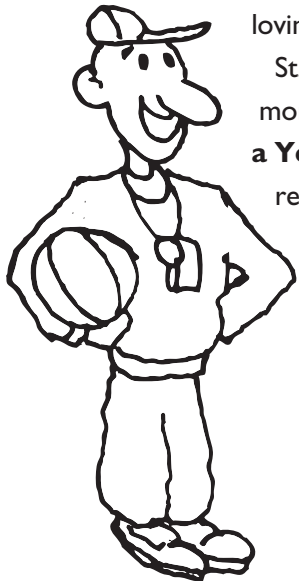

Dear St. Sebastian Parish School Families,

The **One Day a Year** program asks each household with St. Sebastian Parish School students to **volunteer a total of 24 hours** a year to the church and/or school (single parent families, 12 hours). That's an average of two hours of volunteerism a month!

One Day a Year will help provide structure and accountability for much of the volunteer work that's already taking place and bring many more parents into the volunteer fold. Whether you are the new parents of a Preschooler or have had children at St. Sebastian for many years, **One Day a Year** will not only help parents get to know each other better, but also provide a positive example of the importance of volunteer service to your children.

Many of our church and school's current programs would not exist if it were not for the dedication and support of our volunteers. Giving of oneself is about time, talent and treasure. These are the nuts and bolts that make our parish school and church work.

Our goal is for parents to embrace their volunteerism, put their own loving stamp on these projects and help to make St. Sebastian Parish Church and School an even more vibrant place. With your help, **One Day a Year** will be just the beginning of a wonderful rebirth at St. Sebastian Parish that will help strengthen your children's education and build fellowship in our parish community for many years to come.

GUIDELINES

We are asking each family to donate just 24 hours (single parent families, 12 hours) to help strengthen our parish and school. Opportunities are endless here at St. Sebastian Parish! Our goal is to achieve 100% family participation. All we ask is for you to send an email each time you volunteer or for an activity with a large number of hours send ONE email to your volunteer coordinator. Any volunteer activity you help with for the church or the school counts toward the service hours.

One Day a Year Coordinators will keep track of families' hours (according to your child's last name).
