Registration for CYO Athletics through St. Sebastian School requires the following:

1) **Sports Physical Form** - These must be filled out, signed and dated by a doctor in order for the athlete to be eligible. The date can be anytime and is good for 13 months. Many families opt to complete the physical paperwork during the child's annual doctor visit. This way the paperwork is completed annually and is always ready for submission when the physical's expiration date nears. We recommend that you keep a photocopy of the form and submit the original.

2) **Emergency Release Form** - Must be completed annually. Good for all sports during the current school year.

3) **Fees** - Applies to all sports except tackle football.

- Athletes participating in one sport pay \$50. This covers all CYO fees and the use of one uniform for the season. The uniform must be returned at the end of the season as per coach instruction.
- Athletes participating in 2 or more sports pay \$100. This covers all CYO fees and the use of one uniform for each sport in which the athlete participates. Each uniform must be returned at the end of the season as per coach instruction in order to be fully eligible for the next sport.
- A Family Maximum of \$200 in sports fees is in place for those with multiple kids playing greater than 4 sports total per school year.

4) Tackle Football Fee - Applies to Tackle Football, both St. Sebastian athletes and those from other schools.

- Total fee required is \$150 per athlete.
- Fee breakdown: \$50 covers CYO registration. This portion counts toward your family maximum; football counts as your first sport.
- Fee breakdown part 2: \$100 covers the use of equipment for the season. Each athlete receives one helmet, all pads, chin strap, mouth guard, shoulder pads, practice pants, game pants and game jersey. This portion does not count toward registration fees. This portion does not count toward the Family Maximum.
- All equipment and uniforms must be turned in at the end of the season as per coaches instruction.
