LETTER #198  
St. Elizabeth of Hungary

Dear Parish Family,

#### WHAT YOU NEED TO KNOW FOR THIS WEEKEND

**Friday Mass at 8AM with Fr. Valencheck**  
**Friday Confessions at 4PM**

**Saturday Mass at 8AM with Fr. Bozek**  
**Saturday Confessions at 9:30AM**  
**Saturday Vigil Mass at 4:30PM with Fr. Valencheck**

**Sunday Mass at 9AM with Fr. Bozek**  
**Sunday Mass at 11AM with Fr. Valencheck**  
**Sunday Mass at 1PM with Fr. Tuscan OFM Cap**

#### FEAST OF CHRIST THE KING!

This weekend is the Solemnity of Christ the King. This feast day marks the end of the Liturgical Year. Next week we begin the new Liturgical Year with the First Sunday of Advent. Christ the King was established in 1925 in an effort to help ward off secularism and atheism that was even then taking root in the Christian world. For more information on this feast day go [HERE](#).

This day is also celebrated internationally as the World Day for Youth. For more information on that, go [HERE](#).

Finally, our bishops have also declared this a day to pray and act for Religious Liberty. Text FREEDOM to 84576 and [Sign up for First Freedom News](#), the USCCB Committee for Religious Liberty's monthly newsletter.

#### NEW HOSTS

We were experiencing some difficulties obtaining the typical altar breads that we use for Mass and decided to try another source. The new ones are larger and have interesting designs impressed upon them. Unfortunately, as many of you have noted, they also create quite a bit of crumbs. So, as soon as we work our way through them and/or get our typical order back, we will return to the former hosts that we used.

#### WORK AROUND ST. SEBASTIAN SQUARE

After reporting about the trucks and work being conducted on Mull Avenue, you may have discovered a distinct lack of work occurring. This is because the company working on the project thought that it would be better to work on the road at night (when there are not children and cars all over the place.)

The committee for the Hawkins/Mull circle continues their work. Artists are being offered the opportunity to submit plans for the center of the circle. If you have an artist that might be interested in a larger scale public project such as this, please let me know soon.

#### STATE OF THE PARISH RECAP

One of the things mentioned because of that advice was that we are in need of a Young Adult Director. By that evening, I had three young adults contact me to discuss possible ministry options! That was awesome! That is the St. Sebastian Spirit! There were some other incredible things that happened, but I'll report on those as they come to fruition.

St. Sebastian Parish is once again participating in Giving Tuesday, November 29th, through #WeGiveCatholic. We want to upgrade our outdated furniture for our youngest learners in our St. Sebastian Beringer Center for Early Learning. See bulletin for more details. Also, for more information or to make a donation toward our goal go [HERE](#).

This section is called "Correspondences" and starts in the year 1958 and stretches back to 1930. Opening up the first file (1954 - 1958) reveals about a dozen letters mostly concerning bill payments, requests for Tax Exemption Certificates and a few thank yous.

Dear Miss Hohman ( *Note: Was she the parish secretary at the time?* )

Sincerely yours,

The Newman Mother's Club, the Junior Class at St. Thomas Hospital and "the Ladies of the Theta Phi Alpha Mothers' Club" sent "Thank yous for use of parish rooms for their events. The "Strong, Carlisle and Hammond Company" wrote Fr. Zwislser to inform him that the problems he was experiencing with his dishwasher was his own problem since, "on checking the sales invoice for this machine we find that there was no service warranty included."

Mr. Walsh tells me that you did not particularly like the last honey that we sent over to you. This shows that you know good honey and we regret very much that owing to several years of drouth and below normal money crops almost the country over, the quality of most honey crops has declined considerably. During drouth years, the bees are forced to go far afield, and they work on a number of plants that are usually classified as weeds. A garden pest, very prevalent over the country is what is known as heartsease or smartweed. A little of this added to light colored honey produces a blend not too pleasing in flavor or color. In sending you the best we had, it was probably none too good, if the truth were known, but it was lack of rainfall, mainly, that caused the lowered quality.
