SCHNEIDER PARK WORK

Tuesday morning the city began installing a walking trail around the perimeter of Schneider Park. There is a proposal to add some additional trails through the center of the park. Before that is done, there will be a community meeting to determine if this is even desirable. I will try to let you know when this takes place.

CIRCLE

Quite some time ago I told you that there was an effort to make improvements on the Circle. Work will finally begin this week! Keep an eye out!

FR. VALENCHECK AWAY

I am away from the parish this week for my continuing education. I will be back for the weekend.

ISSUE ONE FOR OHIO

In this weekend's bulletin I suggested some reasons why to vote YES on ISSUE ONE this coming August and urged all to do their own research on the issue. In this letter, I will provide some places to read more about this issue since most of the literature out on the web is heavily slanted toward voting negatively.
