WORK AROUND ST. SEBASTIAN SQUARE

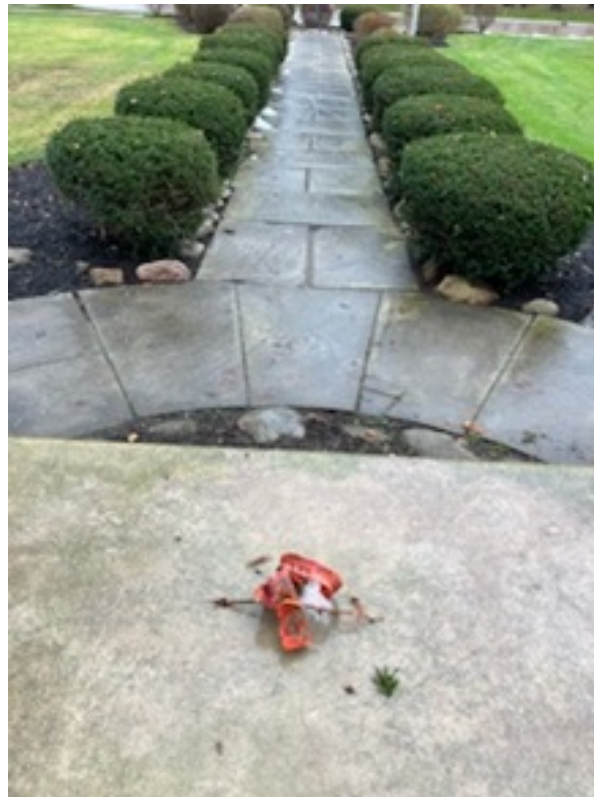

There was a pleasant surprise walking around Schneider Park last week. Approximately a dozen new good-sized trees were planted around the park. A few replaced other newer trees that subsequently died but most are new spots particularly along Mull Avenue. This must be the alternative to the 200 trees that were almost planted last year.

Taking the dog in the other direction, we noticed that one basement has been dug out at the Good Park Development, but work has slowed for the holidays. Stop signs and speed signs are beginning to be installed as well as the posts for street signs.

There are some detour signs around the parish again, but they have nothing to do with us. There is a closure elsewhere and some traffic (so far rather unnoticeable) nearby St. Sebastian Parish.

PICTURES

Someone made us a cute little snow man in front of the rectory during our first nice snowfall. Then this tragedy happened after the weather warmed up.

FROM THE FORGOTTEN CABINET

I thought the file marked, "SCHOOL - TUITION" would be far more interesting than it turned out to be. There are only two short letters in it, and one wonders why these two in particular were saved. The first was from Dr. Harvey Karam of Castle Blvd. in 1953 in which he writes,

Dear Father Swisler (sic)

The enclosed check for \$100 is for enrollment of Richard Karam in school for the coming school year. I'm sure you will find him an apt pupil and if there is anything further needed, please let me know.

The second note is from March 16th, 1954:

Dear Fr. Zwisler,

Just a note to say thank you for letting Charles attend school these past two years, since we were not members of your parish. We are moving April 14th to Rocky River and will be members of St. Christopher Parish. I understand they have the same order of Sisters teaching in their school so I imagine the change for him will be very small.

Thank you again,

Yours very truly,

Rosalie Stockinger
