Greetings!

Just because you are here tonight, you are awesome. Sure, there is something on TV tonight that you could have stayed home and watched, but you chose to be here, and because of that you are seriously amazing in my book.

Today you chose to get dressed up, grab your keys, and head out the door to support your community, our children, our faculty and staff, support Catholic education, and secure the integrity of our neighborhood. Please allow us to do our best to give you a wonderful evening in return for your thoughtfulness and generosity. My prayer is that you wake up tomorrow happy from both having a good time and from understanding just how many people you helped out by your presence at September Spectacular.

I would like to thank our many generous donors who helped contribute to your enjoyment and to the advancement of the mission of St. Sebastian Parish School. Also I owe a deep debt of gratitude to our many volunteers, especially our chairs, who worked tirelessly to make this evening a success.

God bless you all and may you have a most enjoyable and rewarding evening.

In Christ,

Fr. John A. Valencheck  
Pastor

Good evening and a warm welcome to the 2016 September Spectacular! I hope everyone enjoys this evening as much as I do. The September Spectacular is always a perfect chance for me to pause from the flurry of activity that occurs with the start of each new school year and take a step back to appreciate our wonderful parish school.

This is a fantastic, tight-knit parish community with a long tradition of providing high-quality education in a spiritually-fulfilling environment. The generosity and spirit of the community is always on full display at the September Spectacular, and it is great to interact with all the parents, parishioners, teachers, staff and alumni who come out to celebrate and support our school.

This year's theme, "Today's Learners, Tomorrow's Leaders," reminds us all that the focus of everything we do at St. Sebastian Parish School is for the students. The administration, faculty, staff and parish as a whole take the responsibility of educating tomorrow's leaders very seriously. We work hard every day to foster both intellectual and spiritual growth.

We thank you for attending this event and supporting our efforts. All the money raised from the 2016 September Spectacular will be used to continue to make education affordable for every student, to support STEM (Science Technology, Engineering and Math) initiatives and technology in our classrooms, and to further strengthen the future stability of our parish school.

Many, many thanks to our event chair couple, Mark and Cyndy Cook, for leading the 2016 September Spectacular with endless enthusiasm and generosity. Thank you also to Kathy Dietrich and Christine Stummer, parents who worked together to chair the live auction and serve as event coordinators. These two wonderful volunteers have taken on many tasks, both large and small, to stage an exceptional evening for all of us to enjoy. We are very grateful for the efforts of Kat Miller, a parent who returned in her role as silent auction chair this year, and once again amazed us all with her energy and productivity. Behind these leaders are teams of many more helpful volunteers who have lent a hand toward making this night truly spectacular. Thank you all for everything you do to make this event – and our school – great.

Yours in education,

Sandie Isabella  
Principal  
St. Sebastian Parish School

Dear Friends of St. Sebastian Parish School,

Thank you for joining us this evening for the 13th annual September Spectacular. We are honored to play a role in the ongoing improvement and growth of our parish school, its students, and staff. This event has blossomed over the years through the hard work of talented and dedicated past chairs, volunteers and, of course, by the generosity of our benefactors, sponsors, and those of you who will participate in the silent and live auctions tonight.

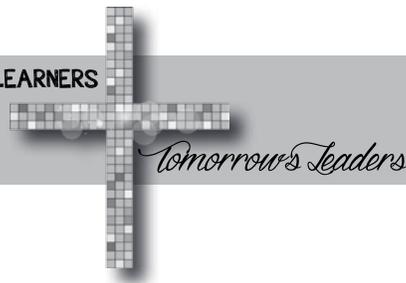

We are all stakeholders in our community's future, and there is no better way to invest in our children's future than by a quality Catholic education. For over 88 years, St. Sebastian Parish School has been providing an excellent, affordable and faith-based education to the entire region. Through your generosity this evening, you will help to continue this tradition by strengthening and supporting the ongoing upgrades and maintenance of the school's current state-of-the-art technological infrastructure and allow access to these resources by keeping tuition affordable.

Every detail of this event is the result of many hours of work by our tireless volunteers, particularly our parent leaders: Kathy Dietrich and Christine Stummer (Live Auction Chairs and Event Coordinators) and Kat Miller (Silent Auction Chair). We have also greatly benefitted from the guidance and help of parish staff members Michelle Huber (Director of Marketing and Public Relations), Dr. Ed Savitski (Director of Curriculum Development) and Kevin Audin (Business Manager). We would also like to thank graphic designer Erin Leslie and program editor Anne Dennée for their creativity and attention to detail. There is a complete list of all those who have helped within the program. We truly appreciate their dedication and their efforts.

As always, Father Valencheck and Mrs. Isabella have been supportive and encouraging throughout the entire planning process and final execution of the event. I know that we are not alone in our appreciation of both of these parish leaders, and together with God's grace, strong families, and a generous community, we will all help form today's learners into tomorrow's leaders.

Pax Domini sit semper vobiscum!

### #12 Paddle Raise for Today's Learners, Tomorrow's Leaders

Tonight we celebrate the rich history and traditions of St. Sebastian Parish School. Whether you are a parent, teacher, alumni or parishioner, you recognize the value St. Sebastian brings to our children and to our community.

At a time when other parish schools are struggling to fill classrooms or even closing their doors, we have a strong lineage of families who continue to turn to St. Sebastian Parish School because of our strong academic curriculum, spiritual staff, and focus on a Catholic education.

As the largest annual fundraiser for the school, your support of tonight's event provides essential funds for further strengthening the financial stability of the school and for tuition reduction for each and every one of our students. Our school works hard to provide a Catholic education experience that expands both the minds and souls of our students.

During this portion of the live auction you have the opportunity to raise your paddle and join others in providing the best education possible for "today's learners, tomorrow's leaders!"
