SPECTACULAR

Welcome to this Spectacular evening! Thank you for your presence here tonight. Your enjoyable evening will translate into a spectacular learning experience for young ladies and gentlemen. Your support not only helps give our young scholars an excellent education, but also ensures that they receive it in a Catholic atmosphere where their formation as people of integrity and of faith is nourished and built up. Who would have thought that such a great evening out could accomplish so much good?

As this parish celebrates 90 years of service and this school prepares to celebrate 90 years of forming men and women of faith, knowledge and wisdom, know that you played an important role in making it possible for this cornerstone of our community to exist and that you have made it more financially possible for a child to attend St. Sebastian Parish School.

May God bless you,

Fr. John A. Valencheck

St. Sebastian Parish School

SPECTACULAR

Welcome to the 2018-2019 St. Sebastian Spectacular! The Spectacular is a wonderful opportunity to come together to support and celebrate all that occurs in this remarkable school. I hope that you enjoy the Mardi Gras theme as well as the togetherness that this community event creates.

Through your generous support, money raised from the 2018-2019 Spectacular will be used to continue to make education affordable for every student, to support STREAM (Science, Technology, Religion, Engineering, Art and Mathematics) initiatives and technology in our classrooms, and to further strengthen the future stability of our parish school.

This year, proceeds will also help fund our school's 90th anniversary classroom upgrade project to help reinvent our classrooms to support better learning. As we enter the 90th anniversary year for the school, our school continues to stay true to its mission: being dedicated to Christ and committed to excellence in education. Over the years, however, the nature of teaching and learning has changed. Students today learn through a variety of methods, which include whole class instruction, small group collaboration, and independent study. Funds from this event will help adapt and enhance our learning environments for the 21st century to allow for seamless transitions to maximize student learning.

While this event is a celebration, it takes a lot to come together. I would especially like to thank our event co-chairs, Natalie Griffin-Kinney, Danielle Petit and Carrie Pozsgay, for leading the 2018-2019 Spectacular with dedication and generosity. The efforts made by these wonderful volunteers have helped make this event the success that it is. Behind these leaders are teams of many more helpful volunteers who have lent a hand toward making this night truly spectacular.

Thank you for attending this event and helping us to continue to carry out the mission of the school: to develop our students not only academically, but also – and most importantly – spiritually. I look forward to the opportunities we will be able to provide our students and teachers as a result of this generous, faith-based community.

Yours in Christ,

Anthony Rohr
Principal

SPECTACULAR

Welcome to Mardi Gras, the 2018-2019 St. Sebastian Spectacular!

“Laissez Les Bons Temps Rouler!” is a classic Cajun French saying that means, “Let the Good Times Roll,” and it has become a mantra of Mardi Gras celebrations over the years. When the Spectacular moved from a September event to a March event this year, we chose the Mardi Gras theme, not only because the timing is right, but also we could not think of a more fitting theme. The Spectacular is such a wonderful opportunity for us to come together and “let the good times roll” as we celebrate all of the wonderful things our school and our community have to offer.

Unlike many of the other fabulous events put on by other groups and organizations at St. Sebastian, this event not only affects every current student at our school, but also helps to secure our ability to provide the highest level spiritual and technological education for future students of our beloved school.

This has been an amazing and very rewarding journey for us as co-chairs. We have come to admire each other’s strengths and determination to help our school and our children as well as the differences we each bring to make this such an outstanding and fun evening for everyone to enjoy. It has truly been an honor to work together as co-chairs and friends. We wish to send a very special thank you to our spouses and children for so graciously supporting all of the meetings, events and long hours put in to make this evening come together. We love you all so very much.

Most importantly, a heartfelt thank you goes out to all of the volunteers and committee members who have worked so hard!! We know this event wouldn’t not have happened without you, Lynn Yuronich, Logan Rice, Anne Dennée, Michelle Huber and Mary Pat Doorley! You are the best, and we are sincerely grateful for you.

We hope you all have a fabulous evening! We hope you savor every moment, listen to the music, enjoy the food and drink, revel in the esprit de corps this evening brings and never forget how much you mean to this school, your children and their continued success.

Laissez Les Bons Temps Rouler (Let the Good Times Roll!),

Special Thank You

The co-chairs of this event would like to thank the following individuals who have met with us over the last few months to share their knowledge and insight towards planning this year's event: Andrea Bologna, Anita Calleri, Lois Gerstenmaier, Heidi Heinle, Alexis Rizopoulos and Holly Wilt. Your generosity and wisdom is sincerely appreciated.

The Spectacular Committee would also like to thank and acknowledge the anonymous donor from our parish who purchased a table this evening for our teachers and staff. What a wonderful act of generosity on behalf of our teachers and staff!

Past Chairs of the Spectacular

St. Sebastian Parish and St. Sebastian Parish School would like to thank all of the past chairs of the St. Sebastian Spectacular (formerly known as September Spectacular) who helped create and build this event into what has become our school's largest annual fundraiser. Since its inception in 2004, the Spectacular has raised nearly \$1 million for the benefit of the students at our school. We are forever indebted to the hard work, creativity and incredible generosity of those who chose to dedicate their time as leaders of this event.

Check out the Dessert Dash display, where you will see beautiful, indulgent desserts prepared especially for tonight by local restaurants, bakeries and home bakers. The Dessert Dash involves each table combining their bids to claim one of these delicious desserts. The table with the largest combined bid gets the first chance at dashing to the dessert table and picking the dessert of their choice! To get your chance at the most delectable, scrumptious dessert, simply enter a bid for your table in BidPal (instructions are at each table). Bids for dessert dash will close at 7:30 pm just before the start of the live auction. Be careful though... you'll need to bid high to be the first table called and be fast to get your favorite dessert because the next winning table numbers will be called quickly... thus, the DASH part of the Dessert Dash!

Pair your dessert with a hot drink from the coffee station, which features decaf and regular coffee along with Baileys and an assortment of creamers.

Florist

The beautiful floral accents were created for tonight's event by Pink Petals Florist, owned by St. Sebastian parishioner Gina Milan.

#11 Paddle Raise for the Students of St. Sebastian Parish School

As members of the St. Sebastian Parish School community, we are truly blessed that others before us have created and supported a place that educates the whole student: mind, body, spirit. All of us – parents, teachers, alumni, parishioners and friends of the school – benefit from the education of students who will go on to mark their path in the world as people of Christ.

It is up to today's members of the St. Sebastian Parish School community to continue this fantastic tradition of support, to pay it forward for the students of today and the students of many years to come.

As the largest annual fundraiser for the school, your support of tonight's event provides essential funds for further strengthening the financial stability of the school and for tuition reduction for each and every one of our students. In addition, your donation will provide funding for school-wide classroom enhancements and the continued development of our outstanding technology program.

During this portion of the live auction you have the opportunity to raise your paddle and join others in providing the best education possible for the students of St. Sebastian Parish School. We are counting on your support!
