Giving Back to Our Teachers

All monies raised from a Socials event goes to the Teacher Appreciation and Wellness Fund. This fund is enables us to give back to our teachers and show them how much we truly appreciate all their hard work. This is what we have been able to do for the teachers this school year.

During parent-teacher conferences we provided a catered dinner on both evenings for all teachers.

The 5 Days of Christmas!

Day 1—A personalized cookie for each member of the school faculty & staff.

Day 2—Gift cards for Swenson's for each member of the school faculty & staff

Day 3—Boxed lunch for every member of the school faculty and staff from Jimmy Johns.

Day 4— Much needed supplies for the teachers lounge, including coffee, snacks, and office supplies.

Day 5—Cash Bonuses with personalized thank you notes were given to each member of the school faculty and staff

Fall 2020 Social Events Recap

Thank you to all that participated in the Fall Family Photo Scavenger Hunt. Families that participated were taken all over town while snapping photos and competing for amazing prizes donated by fellow St. Sebastian family owned businesses. We raised \$1,000 for the Teacher Appreciation and Wellness Fund. Congratulations to the winning families—Incorvia, Hanna, Long, Marino, Leffler, Chuba & Dagnall. Thank you to all the host families for supporting and planning this event; Chapin, Lawson, Milan, Najeway, Pezzaniti, Taray, Trenor, Vaccaro & Whitney families.

Unfortunately, due to covid concerns we had to cancel several Annual All School Fall Events; Trunk or Treat, Celebrity Night, and Ladies Luncheon. We have received phone calls, texts and emails from people that miss these events. We are working to help bring these events back during the 2021-2022 school year. If you are interested in sponsoring any of these events please contact us.

How can you help support the teachers?

The answer is quite simple: have a party for your child's grade level. It can be a family event or a gathering just for parents. Think about hosting a kickball game, backyard BBQ, private movie viewing, anything that brings parents or families together. **100%** of the money raised at a Socials event helps support the teachers. We love giving back to them and showing them how much we appreciate their hard work. Contact any of us and we'll help you get started on planning a Social!

**all events to follow federal, state and local guidelines.*
